WE LOVE SPORTS

Play Hard Sports Equipment Australia (PHS)

ALL IN ONE

MULTIPLAY

ROTATING BASKETBALL / NETBALL SYSTEM WITH HEIGHT

ADJUSTABILITY - 1.2M OUTREACH

This is a full-size system suits courts with combined basketball and netball courts the same length. The pole sits on the court baseline and when rotated for basketball use, the extension arm will place the backboard 1.2m inside the basketball baseline.

HEIGHT ADJUSTABLE

Gas strut assisted 'easy motion' changes the ring height from 3.05m (10 foot) down to 2.6m (8.53 foot) for junior players. The netball ring/net will have two (2) separate attachment points that adjusts the ring from 3.05m (10 foot) down to 2.4m (8 foot) for juniors with the aid of a light weight hand turning tool.

NEW PRODUCTS

AURORA MODERN PLAYERS SHELTER

The Aurora shelter is available in 6, 8, 10 or 12 player seating options. With its simplicity of assembly, futuristic design, diffused polycarbonate ultra UV protection, twin wall poly and maximum player view of the playing field. It's the players bench of the future.

HOT TRENDS 2020

PHS is co-branding its premium sports equipment to allow unique branding for your sports courts. Contact Chris to discuss a tailored branding solution for your next project.

The price for customised embossed name plates are \$1200 + GST - for the 'one off' die set up charge - with no additional charges per order thereafter.

SPORTS COURT PROFILES

Greenplay Australia recently completed the full construction of playing courts at the Mornington Peninsula premier coeducational school - Peninsula Grammar (pictured left)

Key Stakeholders within this project were SPORTENG and Greenplay Australia. With subcontractors & suppliers - Global Turf, Fenceline, Procon and PHS.

UK CAGE ROLLOUT

PHS Thor cage on the big stages... The prestigious IAAF Diamond League and IPC Grand Prix saw the Müller Anniversary Games at the Queen Elizabeth Olympic Stadium with just over 40,000 spectators attending. PHS UK cage roll out continues as Manchester Arena eagerly awaits their new Thor 9 cage.

Tuff Turf completed six out of nine hard courts at Langwarrin Tennis Club located at Lloyd Park Langwarrin Victoria.

Tuff Turf surface application for the tennis courts was Casali Sport Supersoft Doppio.

As the finishing touch, the PHS Excalibur 75mm square tennis net posts were installed delivering superior scratch resistance protection through all seasons.
