Introduction

ALCATRAZ Futsal system is designed and built by Play Hard Sports Equipment and Structurally Certified by a Structural Engineer. The unit can be installed in half courts, public space areas or private homes, both indoor or outdoor. The whole unit has been made using galvanised steel, with a goal space of 3m x 0.91m x 2m, and can be integrated into the fence line, concreted into the ground, or put on base plates that bolt into the concrete.

Maintenance

1. Regularly check all bolts on the unit to ensure they have not loosened.
2. If fixed to a base plate or fence line, check that any bolts are secure and fixed
3. Whilst the equipment is hot dip galvanized it is always advisable to check for any areas of rust and apply cold gal spray if this occurs and apply spray paint with gloss black.
